The officers and City officials that will come by your event, if you have registered for National Night Out, do not give prepared speeches or talks on issues in your neighborhood. They can answer some general questions for you, but the intent for National Night Out is for the citizens of San Rafael and the Police and Fire departments to unite on a more social level. If you have issues in your neighborhood that need to be addressed, you can contact Antonette Bullock at (415)485-3114.
